PFT was saddened to learn that the Peralta Community College District Board of Trustees, holding a retreat tonight at 7 in the boardroom, plans to take up a censure resolution against one of its own, Nicky Gonzalez Yuen. With a new board set to take office Dec. 11 and so much good work to be done—thanks to the support of local voters and taxpayers—the union encourages trustees to look to the future and recommit to focusing on the real issues that affect our colleges, students, and communities.

In solidarity,

Jennifer Shanoski, Ph.D.
