 - ◆ health education covered under “Health Education” in this “Benefits” section

Your Cost Share

Your Cost Share is the amount you are required to pay for covered Services. For example, your Cost Share may be a Copayment or Coinsurance.

If your coverage includes a Plan Deductible and you receive Services that are subject to the Plan Deductible, your Cost Share for those Services will be Charges until you reach the Plan Deductible. Similarly, if your coverage includes a Drug Deductible, and you receive Services that are subject to the Drug Deductible, your Cost Share for those Services will be Charges until you reach the Drug Deductible.

Please refer to the “Cost Share Summary” section of this *EOC* for the amount you will pay for Services.

General rules, examples, and exceptions

Your Cost Share for covered Services will be the Cost Share in effect on the date you receive the Services, except as follows:

- If you are receiving covered inpatient hospital or Skilled Nursing Facility Services on the effective date of this *EOC*, you pay the Cost Share in effect on your admission date until you are discharged if the Services were covered under your prior Health Plan evidence of coverage and there has been no break in coverage. However, if the Services were not covered under your prior Health Plan evidence of coverage, or if there has been a break in coverage, you pay the Cost Share in effect on the date you receive the Services
- For items ordered in advance, you pay the Cost Share in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it) and you may be required to pay the Cost Share when the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order after receiving all of the information they need to fill the prescription

Cost Share for Services received by newborn children of a Member

During the 31 days of automatic coverage for newborn children described under “Newborn coverage” under “Who Is Eligible” in the “Premiums, Eligibility, and Enrollment” section, the parent or guardian of the

newborn must pay the Cost Share indicated in the “Cost Share Summary” section of this *EOC* for any Services that the newborn receives, whether or not the newborn is enrolled. When the “Cost Share Summary” indicates the Services are subject to the Plan Deductible, the Cost Share for those Services will be Charges if the newborn has not met the Plan Deductible.

Payment toward your Cost Share (and when you may be billed)

In most cases, your provider will ask you to make a payment toward your Cost Share at the time you receive Services. If you receive more than one type of Services (such as a routine physical maintenance exam and laboratory tests), you may be required to pay separate Cost Share for each of those Services. Keep in mind that your payment toward your Cost Share may cover only a portion of your total Cost Share for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay (or you may be billed for) Cost Share amounts in addition to the amount you pay at check-in:

- You receive non-preventive Services during a preventive visit. For example, you go in for a routine physical maintenance exam, and at check-in you pay your Cost Share for the preventive exam (your Cost Share may be “no charge”). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem (such as laboratory tests). You may be asked to pay (or you will be billed for) your Cost Share for these additional non-preventive diagnostic Services
- You receive diagnostic Services during a treatment visit. For example, you go in for treatment of an existing health condition, and at check-in you pay your Cost Share for a treatment visit. However, during the visit your provider finds a new problem with your health and performs or orders diagnostic Services (such as laboratory tests). You may be asked to pay (or you will be billed for) your Cost Share for these additional diagnostic Services
- You receive treatment Services during a diagnostic visit. For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs treatment Services (such as an outpatient procedure). You may be asked to pay (or you will be billed for) your Cost Share for these additional treatment Services
- You receive Services from a second provider during your visit. For example, you go in for a diagnostic

exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay (or you will be billed for) your Cost Share for the consultation with the specialist

In some cases, your provider will not ask you to make a payment at the time you receive Services, and you will be billed for your Cost Share (for example, some Laboratory Departments are not able to collect Cost Share, or your Plan Provider is not able to collect Cost Share, if any, for Telehealth Visits you receive at home).

When we send you a bill, it will list Charges for the Services you received, payments and credits applied to your account, and any amounts you still owe. Your current bill may not always reflect your most recent Charges and payments. Any Charges and payments that are not on the current bill will appear on a future bill. Sometimes, you may see a payment but not the related Charges for Services. That could be because your payment was recorded before the Charges for the Services were processed. If so, the Charges will appear on a future bill. Also, you may receive more than one bill for a single outpatient visit or inpatient stay. For example, you may receive a bill for physician services and a separate bill for hospital services. If you don't see all the Charges for Services on one bill, they will appear on a future bill. If we determine that you overpaid and are due a refund, then we will send a refund to you within four weeks after we make that determination. If you have questions about a bill, please call the phone number on the bill.

In some cases, a Non-Plan Provider may be involved in the provision of covered Services at a Plan Facility or a contracted facility where we have authorized you to receive care. You are not responsible for any amounts beyond your Cost Share for the covered Services you receive at Plan Facilities or at contracted facilities where we have authorized you to receive care. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the “Post-Service Claims and Appeals” section.

Primary Care Visits, Non-Physician Specialist Visits, and Physician Specialist Visits

The Cost Share for a Primary Care Visit applies to evaluations and treatment provided by generalists in internal medicine, pediatrics, or family practice, and by specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians. Some physician specialists provide primary care in addition to specialty care but are not designated as Primary Care

Physicians. If you receive Services from one of these specialists, the Cost Share for a Physician Specialist Visit will apply to all consultations, evaluations, and treatment provided by the specialist except for routine preventive counseling and exams listed under “Preventive Services” in this “Benefits” section. For example, if your personal Plan Physician is a specialist in internal medicine or obstetrics/gynecology who is not a Primary Care Physician, you will pay the Cost Share for a Physician Specialist Visit for all consultations, evaluations, and treatment by the specialist except routine preventive counseling and exams listed under “Preventive Services” in this “Benefits” section. The Non-Physician Specialist Visit Cost Share applies to consultations, evaluations, and treatment provided by non-physician specialists (such as nurse practitioners, physician assistants, optometrists, podiatrists, and audiologists).

Noncovered Services

If you receive Services that are not covered under this *EOC*, you may have to pay the full price of those Services. Payments you make for noncovered Services do not apply to any deductible or out-of-pocket maximum.

Benefit limits

Some benefits may include a limit on the number of visits, days, or dollar amount that will be covered under your plan during a specified time period. If a benefit includes a limit, this will be indicated in the “Cost Share Summary” section of this *EOC*. The time period associated with a benefit limit may not be the same as the term of this *EOC*. We will count all Services you receive during the benefit limit period toward the benefit limit, including Services you received under a prior Health Plan *EOC* (as long as you have continuous coverage with Health Plan). Note: We will not count Services you received under a prior Health Plan *EOC* when you first enroll in individual plan coverage or a new employer group’s plan, when you move from group to individual plan coverage (or vice versa), or when you received Services under a Kaiser Permanente Senior Advantage evidence of coverage. If you are enrolled in the Kaiser Permanente POS Plan, refer to your KPIC *Certificate of Insurance* and *Schedule of Coverage* for benefit limits that apply to your separate indemnity coverage provided by the Kaiser Permanente Insurance Company (“KPIC”).

Getting an estimate of your Cost Share

If you have questions about the Cost Share for specific Services that you expect to receive or that your provider orders during a visit or procedure, please visit our website at kp.org/memberestimates to use our cost estimate tool or call our Member Service Contact Center.

- If you have a Plan Deductible and would like an estimate for Services that are subject to the Plan Deductible, please call **1-800-390-3507** (TTY users call **711**) Monday through Friday 7 a.m. to 7 p.m. Refer to the “Cost Share Summary” section of this *EOC* to find out if you have a Plan Deductible
- For all other Cost Share estimates, please call **1-800-464-4000** (TTY users call **711**) 24 hours a day, seven days a week (except closed holidays)

Cost Share estimates are based on your benefits and the Services you expect to receive. They are a prediction of cost and not a guarantee of the final cost of Services. Your final cost may be higher or lower than the estimate since not everything about your care can be known in advance.

Drug Deductible

This *EOC* does not include a Drug Deductible.

Plan Deductible

This *EOC* does not include a Plan Deductible.

Copayments and Coinsurance

The Copayment or Coinsurance you must pay for each covered Service, after you meet any applicable deductible, is described in this *EOC*.

Note: If Charges for Services are less than the Copayment described in this *EOC*, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum.

Plan Out-of-Pocket Maximum

There is a limit to the total amount of Cost Share you must pay under this *EOC* in the Accumulation Period for covered Services that you receive in the same Accumulation Period. The Services that apply to the Plan Out-of-Pocket Maximum are described under the “Payments that count toward the Plan Out-of-Pocket Maximum” section below. Please refer to the “Cost Share Summary” section of this *EOC* for your applicable Plan Out-of-Pocket Maximum amounts.

If you are a Member in a Family of two or more Members, you reach the Plan Out-of-Pocket Maximum either when you reach the maximum for any one Member, or when your Family reaches the Family maximum. For example, suppose you have reached the Plan Out-of-Pocket Maximum for any one Member. For Services subject to the Plan Out-of-Pocket Maximum, you will not pay any more Cost Share during the remainder of the Accumulation Period, but every other Member in your Family must continue to pay Cost Share during the remainder of the Accumulation Period until

either they reach the maximum for any one Member or your Family reaches the Family maximum.

Payments that count toward the Plan Out-of-Pocket Maximum

Any payments you make toward the Plan Deductible or Drug Deductible, if applicable, apply toward the maximum.

Most Copayments and Coinsurance you pay for covered Services apply to the maximum, however some may not. To find out whether a Copayment or Coinsurance for a covered Service will apply to the maximum please refer to the “Cost Share Summary” section of this *EOC*.

If your plan includes pediatric dental Services described in a Pediatric Dental Services Amendment to this *EOC*, those Services will apply toward the maximum. If your plan has a Pediatric Dental Services Amendment, it will be attached to this *EOC*, and it will be listed in the *EOC's* Table of Contents.

Keeping track of the Plan Out-of-Pocket Maximum

When you receive Services, we will give you a receipt that shows how much you paid. To see how close you are to reaching your Plan Out-of-Pocket Maximum, use our online Out-of-Pocket Summary tool at kp.org/outofpocket or call our Member Service Contact Center.

Administered Drugs and Products

Administered drugs and products are medications and products that require administration or observation by medical personnel, such as:

Emergency

We cover Services of a licensed ambulance anywhere in the world without prior authorization (including transportation through the 911 emergency response system where available) in the following situations:

- You reasonably believed that the medical condition was an Emergency Medical Condition which required ambulance Services
- Your treating physician determines that you must be transported to another facility because your Emergency Medical Condition is not Stabilized and the care you need is not available at the treating facility

If you receive emergency ambulance Services that are not ordered by a Plan Provider, you are not responsible for any amounts beyond your Cost Share for covered emergency ambulance Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the “Post-Service Claims and Appeals” section.

Nonemergency

Inside our Service Area, we cover nonemergency ambulance and psychiatric transport van Services if a Plan Physician determines that your condition requires the use of Services that only a licensed ambulance (or psychiatric transport van) can provide and that the use of other means of transportation would endanger your health. These Services are covered only when the vehicle transports you to or from covered Services.

Ambulance Services exclusion(s)

- Transportation by car, taxi, bus, gurney van, wheelchair van, and any other type of transportation (other than a licensed ambulance or psychiatric transport van), even if it is the only way to travel to a Plan Provider

- A Plan Physician who is a specialist in bariatric care determines that the surgery is Medically Necessary

For covered Services related to bariatric surgical procedures that you receive, you will pay the Cost Share you would pay if the Services were not related to a bariatric surgical procedure. For example, see “Hospital inpatient care” in the “Cost Share Summary” section of this *EOC* for the Cost Share that applies for hospital inpatient care.

For the following Services related to “Bariatric Surgery,” refer to these sections

We will not provide the Allowance if we have provided an Allowance toward (or otherwise covered) a hearing aid within the previous 36 months. Also, the Allowance can only be used at the initial point of sale. If you do not use all of your Allowance at the initial point of sale, you cannot use it later. Please refer to “Hearing Services” in the “Cost Share Summary” section of this *EOC* for your Allowance amount.

- Up to 100 visits per Accumulation Period (counting all home health visits)

Note: If a visit by a nurse, medical social worker, or physical, occupational, or speech therapist lasts longer than two hours, then each additional increment of two hours counts as a separate visit. If a visit by a home health aide lasts longer than four hours, then each additional increment of four hours counts as a separate visit. For example, if a nurse comes to your home for three hours and then leaves, that counts as two visits. Also, each person providing Services counts toward these visit limits. For example, if a home health aide and a nurse are both at your home during the same two hours, that counts as two visits.

How to obtain covered items

You must obtain covered items at a Plan Pharmacy or through our mail-order service unless you obtain the item as part of covered Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care described in the “Emergency Services and Urgent Care” section.

For the locations of Plan Pharmacies, refer to our Provider Directory or call our Member Service Contact Center.

Refills

You may be able to order refills at a Plan Pharmacy, through our mail-order service, or through our website at kp.org/rxrefill. A Plan Pharmacy can give you more information about obtaining refills, including the options available to you for obtaining refills. For example, a few Plan Pharmacies don’t dispense refills and not all drugs can be mailed through our mail-order service. Please check with a Plan Pharmacy if you have a question about whether your prescription can be mailed or obtained at a Plan Pharmacy. Items available through our mail-order service are subject to change at any time without notice.

Day supply limit

The prescribing physician or dentist determines how much of a drug, supply, or supplement to prescribe. For purposes of day supply coverage limits, Plan Physicians determine the amount of an item that constitutes a

Medically Necessary 30- or 100-day supply (or 365-day supply if the item is a hormonal contraceptive) for you. Upon payment of the Cost Share specified in the “Outpatient prescription drugs, supplies, and supplements” section of the “Cost Share Summary,” you will receive the supply prescribed up to the day supply limit also specified in this section. The maximum you may receive at one time of a covered item, other than a hormonal contraceptive, is either one 30-day supply in a 30-day period or one 100-day supply in a 100-day period. If you wish to receive more than the covered day supply limit, then you must pay Charges for any prescribed quantities that exceed the day supply limit.

If your plan includes coverage for hormonal contraceptives, the maximum you may receive at one time of contraceptive drugs is a 365-day supply. Refer to the “Cost Share Summary” section of this *EOC* to find out if your plan includes coverage for hormonal contraceptives.

If your plan includes coverage for sexual dysfunction drugs, the maximum you may receive at one time of episodic drugs prescribed for the treatment of sexual dysfunction disorders is eight doses in any 30-day period or up to 27 doses in any 100-day period. Refer to the “Cost Share Summary” section of this *EOC* to find out if your plan includes coverage for sexual dysfunction drugs.

The pharmacy may reduce the day supply dispensed at the Cost Share specified in the “Outpatient prescription drugs, supplies, and supplements” section of the “Cost Share Summary” to a 30-day supply in any 30-day period if the pharmacy determines that the item is in limited supply in the market or for specific drugs (your Plan Pharmacy can tell you if a drug you take is one of these drugs).

About the drug formulary

The drug formulary includes a list of drugs that our Pharmacy and Therapeutics Committee has approved for our Members. Our Pharmacy and Therapeutics Committee, which is primarily composed of Plan Physicians and pharmacists, selects drugs for the drug formulary based on several factors, including safety and effectiveness as determined from a review of medical literature. The drug formulary is updated monthly based on new information or new drugs that become available. To find out which drugs are on the formulary for your plan, please visit our website at kp.org/formulary. If you would like to request a copy of the drug formulary for your plan, please call our Member Service Contact Center. Note: The presence of a drug on the drug formulary does not necessarily mean that it will be prescribed for a particular medical condition.

Formulary exception process

Drug formulary guidelines allow you to obtain a non-formulary prescription drug (those not listed on our drug formulary for your condition) if it would otherwise be covered by your plan, as described above, and it is Medically Necessary. If you disagree with a Health Plan determination that a non-formulary prescription drug is not covered, you may file a grievance as described in the “Dispute Resolution” section.

Continuity drugs

If this *EOC* is amended to exclude a drug that we have been covering and providing to you under this *EOC*, we will continue to provide the drug if a prescription is required by law and a Plan Physician continues to prescribe the drug for the same condition and for a use approved by the Federal Food and Drug Administration.

About drug tiers

Drugs on the drug formulary are categorized into one of three tiers, as described in the table below. Your Cost Share for covered items may vary based on the tier. Please refer to “Outpatient prescription drugs, supplies, and supplements” in the “Cost Share Summary” section of this *EOC* for Cost Share for items covered under this section.

Drug Tier	Description
Generic drugs (Tier 1)	Generic drugs, supplies and supplements, and some low-cost brand-name drugs, supplies, and supplements
Brand drugs (Tier 2)*	Most brand-name drugs, supplies, and supplements
Specialty drugs (Tier 4)	Specialty drugs (see “About specialty drugs”)

*Note: This plan does not have a tier for non-formulary drugs (“Tier 3”). You will pay the same Cost Share for non-formulary drugs as you would for formulary drugs, when approved through the formulary exception process described above (the generic drugs, brand drugs, or specialty drugs Cost Share will apply, as applicable).

About specialty drugs

Specialty drugs (Tier 4) are high-cost drugs that are on our specialty drug list. To obtain a list of specialty drugs that are on our formulary, or to find out if a non-formulary drug is on the specialty drugs tier, please call our Member Service Contact Center. If your Plan Physician prescribes more than a 30-day supply for an

outpatient drug, you may be able to obtain more than a 30-day supply at one time, up to the day supply limit for that drug. However, most specialty drugs are limited to a 30-day supply in any 30-day period. Your Plan Pharmacy can tell you if a drug you take is one of these drugs.

General rules about coverage and your Cost Share

We cover the following outpatient drugs, supplies, and supplements as described in this “Outpatient Prescription Drugs, Supplies, and Supplements” section:

- Drugs for which a prescription is required by law. We also cover certain drugs that do not require a prescription by law if they are listed on our drug formulary
- Disposable needles and syringes needed for injecting covered drugs and supplements
- Inhaler spacers needed to inhale covered drugs

Note:

- If Charges for the drug, supply, or supplement are less than the Copayment, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum
- Items can change tier at any time, in accord with formulary guidelines, which may impact your Cost Share (for example, if a brand-name drug is added to the specialty drug list, you will pay the Cost Share that applies to drugs on the specialty drugs tier (Tier 4), not the Cost Share for drugs on the brand drugs tier (Tier 2))

Schedule II drugs

You or the prescribing provider can request that the pharmacy dispense less than the prescribed amount of a covered oral, solid dosage form of a Schedule II drug (your Plan Pharmacy can tell you if a drug you take is one of these drugs). Your Cost Share will be prorated based on the amount of the drug that is dispensed. If the pharmacy does not prorate your Cost Share, we will send you a refund for the difference.

Mail-order service

Prescription refills can be mailed within 7 to 10 days at no extra cost for standard U.S. postage. The appropriate Cost Share (according to your drug coverage) will apply and must be charged to a valid credit card.

You may request mail-order service in the following ways:

- To order online, visit kp.org/rxrefill (you can register for a secure account at kp.org/registernow) or use

the KP app from your smartphone or other mobile device

- Call the pharmacy phone number highlighted on your prescription label and select the mail delivery option
- On your next visit to a Kaiser Permanente pharmacy, ask our staff how you can have your prescriptions mailed to you

Note: Not all drugs can be mailed; restrictions and limitations apply.

A “Surrogacy Arrangement” is one in which a woman (the surrogate) agrees to become pregnant and to surrender the baby (or babies) to another person or persons who intend to raise the child (or children), whether or not the woman receives payment for being a surrogate. Please refer to “Surrogacy arrangements” under “Reductions” in this “Exclusions, Limitations, Coordination of Benefits, and Reductions” section for information about your obligations to us in connection with a Surrogacy Arrangement, including your obligations to reimburse us for any Services we cover and to provide information about anyone who may be financially responsible for Services the baby (or babies) receive.

Travel and lodging expenses

Travel and lodging expenses, except as described in our Travel and Lodging Program Description. The Travel and Lodging Program Description is available online at kp.org/specialty-care/travel-reimbursements or by calling our Member Service Contact Center.

Limitations

We will make a good faith effort to provide or arrange for covered Services within the remaining availability of facilities or personnel in the event of unusual circumstances that delay or render impractical the provision of Services under this *EOC*, such as a major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete or partial destruction of facilities, and labor dispute. Under these circumstances, if you have an Emergency Medical Condition, call 911 or go to the nearest hospital as described under “Emergency Services” in the “Emergency Services and Urgent Care” section, and we will provide coverage and reimbursement as described in that section.

Coordination of Benefits

The Services covered under this *EOC* are subject to coordination of benefits rules.

Coverage other than Medicare coverage

If you have medical or dental coverage under another plan that is subject to coordination of benefits, we will coordinate benefits with the other coverage under the coordination of benefits rules of the California Department of Managed Health Care. Those rules are incorporated into this *EOC*.

If both the other coverage and we cover the same Service, the other coverage and we will see that up to 100 percent of your covered medical expenses are paid for that Service. The coordination of benefits rules determine which coverage pays first, or is “primary,” and which coverage pays second, or is “secondary.” The secondary coverage may reduce its payment to take into account payment by the primary coverage. You must give us any information we request to help us coordinate benefits.

If your coverage under this *EOC* is secondary, we may be able to establish a Benefit Reserve Account for you. You may draw on the Benefit Reserve Account during a calendar year to pay for your out-of-pocket expenses for Services that are partially covered by either your other coverage or us during that calendar year. If you are entitled to a Benefit Reserve Account, we will provide you with detailed information about this account.

If you have any questions about coordination of benefits, please call our Member Service Contact Center.

Medicare coverage

If you have Medicare coverage, we will coordinate benefits with the Medicare coverage under Medicare rules. Medicare rules determine which coverage pays first, or is “primary,” and which coverage pays second, or is “secondary.” You must give us any information we request to help us coordinate benefits. Please call our Member Service Contact Center to find out which Medicare rules apply to your situation, and how payment will be handled.

Reductions

Employer responsibility

For any Services that the law requires an employer to provide, we will not pay the employer, and when we cover any such Services we may recover the value of the Services from the employer.

Government agency responsibility

For any Services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and when we cover any

such Services we may recover the value of the Services from the government agency.

Injuries or illnesses alleged to be caused by third parties

If you obtain a judgment or settlement from or on behalf of a third party who allegedly caused an injury or illness for which you received covered Services, you must reimburse us to the maximum extent allowed under California Civil Code Section 3040. Note: This “Injuries or illnesses alleged to be caused by third parties” section does not affect your obligation to pay your Cost Share for these Services.

To the extent permitted or required by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney.

To secure our rights, we will have a lien on the proceeds of any judgment or settlement you or we obtain against a third party. The proceeds of any judgment or settlement that you or we obtain shall first be applied to satisfy our lien, regardless of whether the total amount of the proceeds is less than the actual losses and damages you incurred.

Within 30 days after submitting or filing a claim or legal action against a third party, you must send written notice of the claim or legal action to:

The Rawlings Group
Subrogation Mailbox
P.O. Box 2000
LaGrange, KY 40031
Fax: 1-502-753-7064

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the third party, and the third party’s liability insurer to pay us directly. You may not agree to waive, release, or reduce our rights under this provision without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian, or conservator and

any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

If you have Medicare, Medicare law may apply with respect to Services covered by Medicare.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public (“General Fees”). However, these contracts may allow the providers to recover all or a portion of the difference between the fees paid by Kaiser Permanente and their General Fees by means of a lien claim under California Civil Code Sections 3045.1–3045.6 against a judgment or settlement that you receive from or on behalf of a third party. For Services the provider furnished, our recovery and the provider’s recovery together will not exceed the provider’s General Fees.

Surrogacy arrangements

If you enter into a Surrogacy Arrangement and you or any other payee are entitled to receive payments or other compensation under the Surrogacy Arrangement, you must reimburse us for covered Services you receive related to conception, pregnancy, delivery, or postpartum care in connection with that arrangement (“Surrogacy Health Services”) to the maximum extent allowed under California Civil Code Section 3040. A “Surrogacy Arrangement” is one in which a woman agrees to become pregnant and to surrender the baby (or babies) to another person or persons who intend to raise the child (or children), whether or not the woman receives payment for being a surrogate. Note: This “Surrogacy arrangements” section does not affect your obligation to pay your Cost Share for these Services. After you surrender a baby to the legal parents, you are not obligated to reimburse us for any Services that the baby receives (the legal parents are financially responsible for any Services that the baby receives).

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or any other payee under the Surrogacy Arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments and on any escrow account, trust, or any other account that holds those payments. Those payments (and amounts in any escrow account, trust, or other account that holds those payments) shall first be applied to satisfy our lien. The assignment and our lien

will not exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 days after entering into a Surrogacy Arrangement, you must send written notice of the arrangement, including all of the following information:

- Names, addresses, and phone numbers of the other parties to the arrangement
- Names, addresses, and phone numbers of any escrow agent or trustee
- Names, addresses, and phone numbers of the intended parents and any other parties who are financially responsible for Services the baby (or babies) receive, including names, addresses, and phone numbers for any health insurance that will cover Services that the baby (or babies) receive
- A signed copy of any contracts and other documents explaining the arrangement
- Any other information we request in order to satisfy our rights

You must send this information to:

The Rawlings Group
Surrogacy Mailbox
P.O. Box 2000
LaGrange, KY 40031
Fax: 1-502-753-7064

You must complete and send us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this “Surrogacy arrangements” section and to satisfy those rights. You may not agree to waive, release, or reduce our rights under this “Surrogacy arrangements” section without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on the surrogacy arrangement, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

If you have questions about your obligations under this provision, please contact our Member Service Contact Center.

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such Services we may recover the value of the Services from the Department of Veterans Affairs.

Workers’ compensation or employer’s liability benefits

You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as “Financial Benefit”), under workers’ compensation or employer’s liability law. We will provide covered Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any covered Services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due
- From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers’ compensation or employer’s liability law

Other supporting information

When you file a claim, please include any information that clarifies or supports your position. For example, if you have paid for Services, please include any bills and receipts that support your claim. To request that we pay a Non-Plan Provider for Services, include any bills from the Non-Plan Provider. If the Non-Plan Provider states that they will file the claim, you are still responsible for making sure that we receive everything we need to process the request for payment. When appropriate, we will request medical records from Plan Providers on your behalf. If you tell us that you have consulted with a Non-Plan Provider and are unable to provide copies of relevant medical records, we will contact the provider to request a copy of your relevant medical records. We will ask you to provide us a written authorization so that we can request your records.

If you want to review the information that we have collected regarding your claim, you may request, and we will provide without charge, copies of all relevant documents, records, and other information. You also have the right to request any diagnosis and treatment codes and their meanings that are the subject of your claim. To make a request, you should follow the steps in the written notice sent to you about your claim.

After we receive your claim

We will send you an acknowledgment letter within five days after we receive your claim.

After we review your claim, we will respond as follows:

- If we have all the information we need we will send you a written decision within 30 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we notify you within 30 days after we receive your claim
- If we need more information, we will ask you for the information before the end of the initial 30-day decision period. We will send our written decision no

later than 15 days after the date we receive the additional information. If we do not receive the necessary information within the timeframe specified in our letter, we will make our decision based on the information we have within 15 days after the end of that timeframe

If we pay any part of your claim, we will subtract applicable Cost Share from any payment we make to you or the Non-Plan Provider. You are not responsible for any amounts beyond your Cost Share for covered Emergency Services. If we deny your claim (if we do not agree to pay for all the Services you requested other than the applicable Cost Share), our letter will explain why we denied your claim and how you can appeal.

If you later receive any bills from the Non-Plan Provider for covered Services (other than bills for your Cost Share), please call our Member Service Contact Center for assistance.

If we initially denied your request, you must file your appeal within 180 days after the date you received our denial letter. You may send us information including comments, documents, and medical records that you believe support your claim. We will add the information that you provide through testimony or other means to your appeal file and we will review it without regard to whether this information was filed or considered in our initial decision regarding your request for Services. You have the right to request any diagnosis and treatment codes and their meanings that are the subject of your claim.

We will share any additional information that we collect in the course of our review and we will send it to you. External Review

You must exhaust our internal claims and appeals procedures before you may request external review unless we have failed to comply with the claims and appeals procedures described in this “Post-Service Claims and Appeals” section. For information about external review process, see “Independent Medical Review (“IMR”)” in the “Dispute Resolution” section.

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedure, and if applicable, external review:

- If your Group’s benefit plan is subject to the Employee Retirement Income Security Act (“ERISA”), you may file a civil action under section 502(a) of ERISA. To understand these rights, you should check with your Group or contact the Employee Benefits Security Administration (part of the U.S. Department of Labor) at **1-866-444-EBSA (1-866-444-3272)**

Your written authorization must accompany the grievance. You must pay the cost of anyone you hire to represent or help you.

How to file

You can file a grievance orally or in writing. Your grievance must explain your issue, such as the reasons why you believe a decision was in error or why you are dissatisfied with the Services you received.

(for addresses, refer to our Provider Directory or call our Member Service Contact Center)

- By mailing your grievance to a Member Services office at a Plan Facility (for addresses, refer to our Provider Directory or call our Member Service Contact Center)

You must file your urgent grievance in one of the following ways:

- By calling our Expedited Review Unit toll free at **1-888-987-7247** (TTY users call **711**)

We will decide whether your grievance is urgent or non-urgent unless your attending health care provider tells us your grievance is urgent. If we determine that your grievance is not urgent, we will use the procedure described under “Standard procedure” in this “Grievances” section. Generally, a grievance is urgent only if one of the following is true:

- Using the standard procedure could seriously jeopardize your life, health, or ability to regain maximum function

- You have received Emergency Services but have not been discharged from a facility and your request involves admissions, continued stay, or other health care Services
- You are undergoing a current course of treatment using a non-formulary prescription drug and your grievance involves a request to refill a non-formulary prescription drug

For most grievances that we respond to on an urgent basis, we will give you oral notice of our decision as soon as your clinical condition requires, but not later than 72 hours after we received your grievance. We will send you a written confirmation of our decision within three days after we received your grievance.

Non-Formulary Prescription Drug Requests” in this “Dispute Resolution” section.

If we do not decide in your favor, our letter will explain why and describe your further appeal rights.

For non-urgent requests, we will forward the independent reviewer's decision to you within 72 hours. If the independent reviewer does not decide in your favor, you may submit a complaint to the Department of Managed Health Care, as described under "Department of Managed Health Care Complaints" in this "Dispute Resolution" section. You may also submit a request for an Independent Medical Review as described under "Independent Medical Review" in this "Dispute Resolution" section.

Department of Managed Health Care Complaints

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan toll free at **1-800-464-4000** (TTY users call **711**) and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's Internet website **www.dmhc.ca.gov** has complaint forms, IMR application forms and instructions online.

Independent Medical Review ("IMR")

Except as described in this "Independent Medical Review ("IMR")" section, you must exhaust our internal

grievance procedure before you may request independent medical review unless we have failed to comply with the grievance procedure described under "Grievances" in this "Dispute Resolution" section. If you qualify, you or your authorized representative may have your issue reviewed through the IMR process managed by the California Department of Managed Health Care ("DMHC"). The DMHC determines which cases qualify for IMR. This review is at no cost to you. If you decide not to request an IMR, you may give up the right to pursue some legal actions against us.

You may qualify for IMR if all of the following are true:

- One of these situations applies to you:
 - ◆ you have a recommendation from a provider requesting Medically Necessary Services
 - ◆ you have received Emergency Services, emergency ambulance Services, or Urgent Care from a provider who determined the Services to be Medically Necessary
 - ◆ you have been seen by a Plan Provider for the diagnosis or treatment of your medical condition
- Your request for payment or Services has been denied, modified, or delayed based in whole or in part on a decision that the Services are not Medically Necessary
- You have filed a grievance and we have denied it or we haven't made a decision about your grievance within 30 days (or three days for urgent grievances). The DMHC may waive the requirement that you first file a grievance with us in extraordinary and compelling cases, such as severe pain or potential loss of life, limb, or major bodily function. If we have denied your grievance, you must submit your request for an IMR within six months of the date of our written denial. However, the DMHC may accept your request after six months if they determine that circumstances prevented timely submission

You may also qualify for IMR if the Service you requested has been denied on the basis that it is experimental or investigational as described under "Experimental or investigational denials."

If the DMHC determines that your case is eligible for IMR, it will ask us to send your case to the DMHC's IMR organization. The DMHC will promptly notify you of its decision after it receives the IMR organization's determination. If the decision is in your favor, we will contact you to arrange for the Service or payment.

Experimental or investigational denials

If we deny a Service because it is experimental or investigational, we will send you our written explanation within three days after we received your request. We will explain why we denied the Service and provide additional dispute resolution options. Also, we will provide information about your right to request Independent Medical Review if we had the following information when we made our decision:

- Your treating physician provided us a written statement that you have a life-threatening or seriously debilitating condition and that standard therapies have not been effective in improving your condition, or that standard therapies would not be appropriate, or that there is no more beneficial standard therapy we cover than the therapy being requested. “Life-threatening” means diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted, or diseases or conditions with potentially fatal outcomes where the end point of clinical intervention is survival. “Seriously debilitating” means diseases or conditions that cause major irreversible morbidity
- If your treating physician is a Plan Physician, they recommended a treatment, drug, device, procedure, or other therapy and certified that the requested therapy is likely to be more beneficial to you than any available standard therapies and included a statement of the evidence relied upon by the Plan Physician in certifying their recommendation
- You (or your Non-Plan Physician who is a licensed, and either a board-certified or board-eligible, physician qualified in the area of practice appropriate to treat your condition) requested a therapy that, based on two documents from the medical and scientific evidence, as defined in California Health and Safety Code Section 1370.4(d), is likely to be more beneficial for you than any available standard therapy. The physician’s certification included a statement of the evidence relied upon by the physician in certifying their recommendation. We do not cover the Services of the Non-Plan Provider

Note: You can request IMR for experimental or investigational denials at any time without first filing a grievance with us.

Office of Civil Rights Complaints

If you believe that you have been discriminated against by a Plan Provider or by us because of your race, color, national origin, disability, age, sex (including sex stereotyping and gender identity), or religion, you may file a complaint with the Office of Civil Rights in the

United States Department of Health and Human Services (“OCR”).

You may file your complaint with the OCR within 180 days of when you believe the act of discrimination occurred. However, the OCR may accept your request after six months if they determine that circumstances prevented timely submission. For more information on the OCR and how to file a complaint with the OCR, go to hhs.gov/civil-rights.

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedure, and if applicable, external review:

- If your Group’s benefit plan is subject to the Employee Retirement Income Security Act (“ERISA”), you may file a civil action under section 502(a) of ERISA. To understand these rights, you should check with your Group or contact the Employee Benefits Security Administration (part of the U.S. Department of Labor) at **1-866-444-EBSA (1-866-444-3272)**
- If your Group’s benefit plan is not subject to ERISA (for example, most state or local government plans and church plans), you may have a right to request review in state court

Binding Arbitration

For all claims subject to this “Binding Arbitration” section, both Claimants and Respondents give up the right to a jury or court trial and accept the use of binding arbitration. Insofar as this “Binding Arbitration” section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this *EOC*. Such retroactive application shall be binding only on the Kaiser Permanente Parties.

Scope of arbitration

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

- The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this *EOC* or a Member Party’s relationship to Kaiser Foundation Health Plan, Inc. (“Health Plan”), including any claim for medical or hospital malpractice (a claim that medical services or items were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered),

for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of the legal theories upon which the claim is asserted

- The claim is asserted by one or more Member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more Member Parties
- Governing law does not prevent the use of binding arbitration to resolve the claim

Members enrolled under this *EOC* thus give up their right to a court or jury trial, and instead accept the use of binding arbitration except that the following types of claims are not subject to binding arbitration:

- Claims within the jurisdiction of the Small Claims Court
- Claims subject to a Medicare appeal procedure as applicable to Kaiser Permanente Senior Advantage Members
- Claims that cannot be subject to binding arbitration under governing law

As referred to in this “Binding Arbitration” section, “Member Parties” include:

- A Member
- A Member’s heir, relative, or personal representative
- Any person claiming that a duty to them arises from a Member’s relationship to one or more Kaiser Permanente Parties

“Kaiser Permanente Parties” include:

- Kaiser Foundation Health Plan, Inc.
- Kaiser Foundation Hospitals
- KP Cal, LLC
- The Permanente Medical Group, Inc.
- Southern California Permanente Medical Group
- The Permanente Federation, LLC
- The Permanente Company, LLC
- Any Southern California Permanente Medical Group or The Permanente Medical Group physician
- Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more Member Parties
- Any employee or agent of any of the foregoing

“Claimant” refers to a Member Party or a Kaiser Permanente Party who asserts a claim as described above. “Respondent” refers to a Member Party or a

Kaiser Permanente Party against whom a claim is asserted.

Rules of Procedure

Arbitrations shall be conducted according to the *Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator* (“Rules of Procedure”) developed by the Office of the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Oversight Board. Copies of the Rules of Procedure may be obtained from our Member Service Contact Center.

Initiating arbitration

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and phone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include in the Demand for Arbitration all claims against Respondents that are based on the same incident, transaction, or related circumstances.

Serving Demand for Arbitration

Health Plan, Kaiser Foundation Hospitals, KP Cal, LLC, The Permanente Medical Group, Inc., Southern California Permanente Medical Group, The Permanente Federation, LLC, and The Permanente Company, LLC, shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

Kaiser Foundation Health Plan, Inc.
Legal Department
393 E. Walnut St.
Pasadena, CA 91188

Service on that Respondent shall be deemed completed when received. All other Respondents, including individuals, must be served as required by the California Code of Civil Procedure for a civil action.

Filing fee

The Claimants shall pay a single, nonrefundable filing fee of \$150 per arbitration payable to “Arbitration Account” regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Office of the Independent Administrator waive the filing fee and the neutral arbitrator’s fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the

Office of the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling our Member Service Contact Center.

Number of arbitrators

The number of arbitrators may affect the Claimants' responsibility for paying the neutral arbitrator's fees and expenses (see the Rules of Procedure).

If the Demand for Arbitration seeks total damages of \$200,000 or less, the dispute shall be heard and determined by one neutral arbitrator, unless the parties otherwise agree in writing after a dispute has arisen and a request for binding arbitration has been submitted that the arbitration shall be heard by two party arbitrators and one neutral arbitrator. The neutral arbitrator shall not have authority to award monetary damages that are greater than \$200,000.

If the Demand for Arbitration seeks total damages of more than \$200,000, the dispute shall be heard and determined by one neutral arbitrator and two party arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are entitled to select a party arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a single neutral arbitrator.

Payment of arbitrators' fees and expenses

Health Plan will pay the fees and expenses of the neutral arbitrator under certain conditions as set forth in the Rules of Procedure. In all other arbitrations, the fees and expenses of the neutral arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select party arbitrators, Claimants shall be responsible for paying the fees and expenses of their party arbitrator and Respondents shall be responsible for paying the fees and expenses of their party arbitrator.

Costs

Except for the aforementioned fees and expenses of the neutral arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this "Binding Arbitration" section, each party shall bear the party's own attorneys' fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

General provisions

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served,

the claim, if asserted in a civil action, would be barred as to the Respondent served by the applicable statute of limitations, (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (a) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (b) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the neutral arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the neutral arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for non-economic losses, and the right to have an award for future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted or required by law.

Arbitrations shall be governed by this "Binding Arbitration" section, Section 2 of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of Procedure, to the extent not inconsistent with this "Binding Arbitration" section. In accord with the rule that applies under Sections 3 and 4 of the Federal Arbitration Act, the right to arbitration under this "Binding Arbitration" section shall not be denied, stayed, or otherwise impeded because a dispute between a Member Party and a Kaiser Permanente Party involves both arbitrable and nonarbitrable claims or because one or more parties to the arbitration is also a party to a pending court action with a third party that arises out of the same or related transactions and presents a possibility of conflicting rulings or findings.

Termination of Membership

Your Group is required to inform the Subscriber of the date your membership terminates. Your membership termination date is the first day you are not covered (for example, if your termination date is January 1, 2022, your last minute of coverage was at 11:59 p.m. on December 31, 2021). When a Subscriber's membership ends, the memberships of any Dependents end at the

same time. You will be billed as a non-Member for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further liability or responsibility under this *EOC* after your membership terminates, except as provided under “Payments after Termination” in this “Termination of Membership” section.

Termination Due to Loss of Eligibility

If you no longer meet the eligibility requirements described under “Who Is Eligible” in the “Premiums, Eligibility, and Enrollment” section, your Group will notify you of the date that your membership will end. Your membership termination date is the first day you are not covered. For example, if your termination date is January 1, 2022, your last minute of coverage was at 11:59 p.m. on December 31, 2021.

Termination of Agreement

If your Group’s *Agreement* with us terminates for any reason, your membership ends on the same date. Your Group is required to notify Subscribers in writing if its *Agreement* with us terminates.

Termination for Cause

If you intentionally commit fraud in connection with membership, Health Plan, or a Plan Provider, we may terminate your membership by sending written notice to the Subscriber; termination will be effective 30 days from the date we send the notice. Some examples of fraud include:

- Misrepresenting eligibility information about you or a Dependent
- Presenting an invalid prescription or physician order
- Misusing a Kaiser Permanente ID card (or letting someone else use it)
- Giving us incorrect or incomplete material information. For example, you have entered into a Surrogacy Arrangement and you fail to send us the information we require under “Surrogacy arrangements” under “Reductions” in the “Exclusions, Limitations, Coordination of Benefits, and Reductions” section
- Failing to notify us of changes in family status or Medicare coverage that may affect your eligibility or benefits

If we terminate your membership for cause, you will not be allowed to enroll in Health Plan in the future. We may

also report criminal fraud and other illegal acts to the authorities for prosecution.

Termination of a Product or all Products

We may terminate a particular product or all products offered in the group market as permitted or required by law. If we discontinue offering a particular product in the group market, we will terminate just the particular product by sending you written notice at least 90 days before the product terminates. If we discontinue offering all products in the group market, we may terminate your Group’s *Agreement* by sending you written notice at least 180 days before the *Agreement* terminates.

Payments after Termination

If we terminate your membership for cause or for nonpayment, we will:

- Refund any amounts we owe your Group for Premiums paid after the termination date
- Pay you any amounts we have determined that we owe you for claims during your membership in accord with the “Emergency Services and Urgent Care” and “Dispute Resolution” sections

We will deduct any amounts you owe Health Plan or Plan Providers from any payment we make to you.

State Review of Membership Termination

If you believe that we have terminated your membership because of your ill health or your need for care, you may request a review of the termination by the California Department of Managed Health Care (please see “Department of Managed Health Care Complaints” in the “Dispute Resolution” section).

Continuation of Membership

If your membership under this *EOC* ends, you may be eligible to continue Health Plan membership without a break in coverage. You may be able to continue Group coverage under this *EOC* as described under “Continuation of Group Coverage.” Also, you may be able to continue membership under an individual plan as described under “Continuation of Coverage under an Individual Plan.” If at any time you become entitled to continuation of Group coverage, please examine your coverage options carefully before declining this

coverage. Individual plan premiums and coverage will be different from the premiums and coverage under your Group plan.

Continuation of Group Coverage

COBRA

You may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal Consolidated Omnibus Budget Reconciliation Act (“COBRA”). COBRA applies to most employees (and most of their covered family Dependents) of most employers with 20 or more employees.

If your Group is subject to COBRA and you are eligible for COBRA coverage, in order to enroll you must submit a COBRA election form to your Group within the COBRA election period. Please ask your Group for details about COBRA coverage, such as how to elect coverage, how much you must pay for coverage, when coverage and Premiums may change, and where to send your Premium payments.

If you enroll in COBRA and exhaust the time limit for COBRA coverage, you may be able to continue Group coverage under state law as described under “Cal-COBRA” in this “Continuation of Group Coverage” section.

Cal-COBRA

If you are eligible for coverage under the California Continuation Benefits Replacement Act (“Cal-COBRA”), you can continue coverage as described in this “Cal-COBRA” section if you apply for coverage in compliance with Cal-COBRA law and pay applicable Premiums.

Eligibility and effective date of coverage for Cal-COBRA after COBRA

If your group is subject to COBRA and your COBRA coverage ends, you may be able to continue Group coverage effective the date your COBRA coverage ends if all of the following are true:

- Your effective date of COBRA coverage was on or after January 1, 2003
- You have exhausted the time limit for COBRA coverage and that time limit was 18 or 29 months
- You do not have Medicare

You must request an enrollment application by calling our Member Service Contact Center within 60 days of the date of when your COBRA coverage ends.

Cal-COBRA enrollment and Premiums

Within 10 days of your request for an enrollment application, we will send you our application, which will include Premium and billing information. You must return your completed application within 63 days of the date of our termination letter or of your membership termination date (whichever date is later).

If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay Full Premiums within 45 days after the date we issue the bill. The first Premium payment will include coverage from your Cal-COBRA effective date through our current billing cycle. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

After that first payment, your Premium payment for the upcoming coverage month is due on first day of that month. The Premiums will not exceed 110 percent of the applicable Premiums charged to a similarly situated individual under the Group benefit plan except that Premiums for disabled individuals after 18 months of COBRA coverage will not exceed 150 percent instead of 110 percent. Returned checks or insufficient funds on electronic payments will be subject to a \$25 fee.

If you have selected Ancillary Coverage provided under any other program, the Premium for that Ancillary Coverage will be billed together with required Premiums for coverage under this *EOC*. Full Premiums will then also include Premium for Ancillary Coverage. This means if you do not pay the Full Premiums owed by the due date, we may terminate your membership under this *EOC* and any Ancillary Coverage, as described in the “Termination for nonpayment of Cal-COBRA Premiums” section.

Changes to Cal-COBRA coverage and Premiums

Your Cal-COBRA coverage is the same as for any similarly situated individual under your Group’s *Agreement*, and your Cal-COBRA coverage and Premiums will change at the same time that coverage or Premiums change in your Group’s *Agreement*. Your Group’s coverage and Premiums will change on the renewal date of its *Agreement* (October 1), and may also change at other times if your Group’s *Agreement* is amended. Your monthly invoice will reflect the current Premiums that are due for Cal-COBRA coverage, including any changes. For example, if your Group makes a change that affects Premiums retroactively, the amount we bill you will be adjusted to reflect the retroactive adjustment in Premiums. Your Group can tell you whether this *EOC* is still in effect and give you a current one if this *EOC* has expired or been amended.

You can also request one from our Member Service Contact Center.

Cal-COBRA open enrollment or termination of another health plan

If you previously elected Cal-COBRA coverage through another health plan available through your Group, you may be eligible to enroll in Kaiser Permanente during your Group's annual open enrollment period, or if your Group terminates its agreement with the health plan you are enrolled in. You will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA. Please ask your Group for information about health plans available to you either at open enrollment or if your Group terminates a health plan's agreement.

In order for you to switch from another health plan and continue your Cal-COBRA coverage with us, we must receive your enrollment application during your Group's open enrollment period, or within 63 days of receiving the Group's termination notice described under "Group responsibilities." To request an application, please call our Member Service Contact Center. We will send you our enrollment application and you must return your completed application before open enrollment ends or within 63 days of receiving the termination notice described under "Group responsibilities." If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay the bill within 45 days after the date we issue the bill. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

How you may terminate your Cal-COBRA coverage

You may terminate your Cal-COBRA coverage by sending written notice, signed by the Subscriber, to the address below. Your membership will terminate at 11:59 p.m. on the last day of the month in which we receive your notice. Also, you must include with your notice all amounts payable related to your Cal-COBRA coverage, including Premiums, for the period prior to your termination date.

Kaiser Foundation Health Plan, Inc.
California Service Center
P.O. Box 23127
San Diego, CA 92193-3127

Termination for nonpayment of Cal-COBRA Premiums

If you do not pay Full Premiums by the due date, we may terminate your membership as described in this "Termination for nonpayment of Cal-COBRA Premiums" section. If you intend to terminate your

membership, be sure to notify us as described under "How you may terminate your Cal-COBRA coverage" in this "Cal-COBRA" section, as you will be responsible for any Premiums billed to you unless you let us know before the first of the coverage month that you want us to terminate your coverage.

Your Premium payment for the upcoming coverage month is due on the first day of that month. If we do not receive full Premium payment on or before the first day of the coverage month, we will send a notice of nonreceipt of payment (a "Late Notice") to the Subscriber's address of record. This Late Notice will include the following information:

- A statement that we have not received full Premium payment and that we will terminate the memberships of everyone in your Family for nonpayment if we do not receive the required Premiums within 30 days after the date of the Late Notice
- The amount of Premiums that are due
- The specific date and time when the memberships of everyone in your Family will end if we do not receive the Premiums

If we terminate your Cal-COBRA coverage because we did not receive Full Premiums when due, your membership will end at 11:59 p.m. on the 30th day after the date of the Late Notice. Your coverage will continue during this 30-day grace period, but upon termination you will be responsible for paying all past due Premiums, including the Premiums for this grace period.

We will mail a Termination Notice to the Subscriber's address of record if we do not receive full Premium payment within 30 days after the date of the Late Notice. The Termination Notice will include the following information:

- A statement that we have terminated the memberships of everyone in your Family for nonpayment of Premiums
- The specific date and time when the memberships of everyone in your Family ended
- The amount of Premiums that are due
- Information explaining whether or not you can reinstate your memberships
- Your appeal rights

If we terminate your membership, you are still responsible for paying all amounts due.

Reinstatement of your membership after termination for nonpayment of Cal-COBRA Premiums

If we terminate your membership for nonpayment of Premiums, we will permit reinstatement of your membership three times during any 12-month period if we receive the amounts owed within 15 days of the date of the Termination Notice. We will not reinstate your membership if you do not obtain reinstatement of your terminated membership within the required 15 days, or if we terminate your membership for nonpayment of Premiums more than three times in a 12-month period.

Termination of Cal-COBRA coverage

Cal-COBRA coverage continues only upon payment of applicable monthly Premiums to us at the time we specify, and terminates on the earliest of:

- The date your Group's *Agreement* with us terminates (you may still be eligible for Cal-COBRA through another Group health plan)
- The date you get Medicare
- The date your coverage begins under any other group health plan that does not contain any exclusion or limitation with respect to any pre-existing condition you may have (or that does contain such an exclusion or limitation, but it has been satisfied)
- The date that is 36 months after your original COBRA effective date (under this or any other plan)
- The date your membership is terminated for nonpayment of Premiums as described under "Termination for nonpayment of Cal-COBRA Premiums" in this "Continuation of Membership" section

Note: If the Social Security Administration determined that you were disabled at any time during the first 60 days of COBRA coverage, you must notify your Group within 60 days of receiving the determination from Social Security. Also, if Social Security issues a final determination that you are no longer disabled in the 35th or 36th month of Group continuation coverage, your Cal-COBRA coverage will end the later of: (1) expiration of 36 months after your original COBRA effective date, or (2) the first day of the first month following 31 days after Social Security issued its final determination. You must notify us within 30 days after you receive Social Security's final determination that you are no longer disabled.

Group responsibilities

If your Group's agreement with a health plan is terminated, your Group is required to provide written notice at least 30 days before the termination date to the persons whose Cal-COBRA coverage is terminating.

This notice must inform Cal-COBRA beneficiaries that they can continue Cal-COBRA coverage by enrolling in any health benefit plan offered by your Group. It must also include information about benefits, premiums, payment instructions, and enrollment forms (including instructions on how to continue Cal-COBRA coverage under the new health plan). Your Group is required to send this information to the person's last known address, as provided by the prior health plan. Health Plan is not obligated to provide this information to qualified beneficiaries if your Group fails to provide the notice. These persons will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA.

USERRA

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal Uniformed Services Employment and Reemployment Rights Act ("USERRA"). You must submit a USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group to find out how to elect USERRA coverage and how much you must pay your Group.

Coverage for a Disabling Condition

If you became Totally Disabled while you were a Member under your Group's *Agreement* with us and while the Subscriber was employed by your Group, and your Group's *Agreement* with us terminates and is not renewed, we will cover Services for your totally disabling condition until the earliest of the following events occurs:

- 12 months have elapsed since your Group's *Agreement* with us terminated
- You are no longer Totally Disabled
- Your Group's *Agreement* with us is replaced by another group health plan without limitation as to the disabling condition

Your coverage will be subject to the terms of this *EOC*, including Cost Share, but we will not cover Services for any condition other than your totally disabling condition.

For Subscribers and adult Dependents, "Totally Disabled" means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months, and makes the person unable to engage in any employment or occupation, even with training, education, and experience.

For Dependent children, “Totally Disabled” means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months and the illness or injury makes the child unable to substantially engage in any of the normal activities of children in good health of like age.

To request continuation of coverage for your disabling condition, you must call our Member Service Contact Center within 30 days after your Group’s *Agreement* with us terminates.

Continuation of Coverage under an Individual Plan

If you want to remain a Health Plan member when your Group coverage ends, you might be able to enroll in one of our Kaiser Permanente for Individuals and Families plans. The premiums and coverage under our individual plan coverage are different from those under this *EOC*.

If you want your individual plan coverage to be effective when your Group coverage ends, you must submit your application within the special enrollment period for enrolling in an individual plan due to loss of other coverage. Otherwise, you will have to wait until the next annual open enrollment period.

To request an application to enroll directly with us, please go to **kp.org** or call our Member Service Contact Center. For information about plans that are available through Covered California, see “Covered California” below.

Covered California

U.S. citizens or legal residents of the U.S. can buy health care coverage from Covered California. This is California’s health insurance marketplace (“the Exchange”). You may apply for help to pay for premiums and copayments but only if you buy coverage through Covered California. This financial assistance may be available if you meet certain income guidelines. To learn more about coverage that is available through Covered California, visit **CoveredCA.com** or call Covered California at **1-800-300-1506** (TTY users call **711**).

Miscellaneous Provisions

Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of your Group’s *Agreement*, including this *EOC*.

Advance Directives

The California Health Care Decision Law offers several ways for you to control the kind of health care you will receive if you become very ill or unconscious, including the following:

- *A Power of Attorney for Health Care* lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write down your own views on life support and other treatments
- *Individual health care instructions* let you express your wishes about receiving life support and other treatment. You can express these wishes to your doctor and have them documented in your medical chart, or you can put them in writing and have that included in your medical chart

To learn more about advance directives, including how to obtain forms and instructions, contact the Member Services Department at a Plan Facility. For more information about advance directives, refer to our website at **kp.org** or call our Member Service Contact Center.

Amendment of Agreement

Your Group’s *Agreement* with us will change periodically. If these changes affect this *EOC*, your Group is required to inform you in accord with applicable law and your Group’s *Agreement*.

Applications and Statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this *EOC*.

Assignment

You may not assign this *EOC* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

Attorney and Advocate Fees and Expenses

In any dispute between a Member and Health Plan, the Medical Group, or Kaiser Foundation Hospitals, each party will bear its own fees and expenses, including attorneys' fees, advocates' fees, and other expenses.

Claims Review Authority

We are responsible for determining whether you are entitled to benefits under this *EOC* and we have the discretionary authority to review and evaluate claims that arise under this *EOC*. We conduct this evaluation independently by interpreting the provisions of this *EOC*. We may use medical experts to help us review claims. If coverage under this *EOC* is subject to the Employee Retirement Income Security Act ("ERISA") claims procedure regulation (29 CFR 2560.503-1), then we are a "named claims fiduciary" to review claims under this *EOC*.

EOC Binding on Members

By electing coverage or accepting benefits under this *EOC*, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this *EOC*.

ERISA Notices

This "ERISA Notices" section applies only if your Group's health benefit plan is subject to the Employee Retirement Income Security Act ("ERISA"). We provide these notices to assist ERISA-covered groups in complying with ERISA. Coverage for Services described in these notices is subject to all provisions of this *EOC*.

Newborns' and Mother's Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for all stages of reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, prostheses, and treatment of physical complications of the mastectomy, including lymphedemas. These benefits will be provided subject to the same Cost Share applicable to other medical and surgical benefits provided under this plan.

Governing Law

Except as preempted by federal law, this *EOC* will be governed in accord with California law and any provision that is required to be in this *EOC* by state or federal law shall bind Members and Health Plan whether or not set forth in this *EOC*.

Group and Members Not Our Agents

Neither your Group nor any Member is the agent or representative of Health Plan.

No Waiver

Our failure to enforce any provision of this *EOC* will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

Notices Regarding Your Coverage

Our notices to you will be sent to the most recent address we have for the Subscriber. The Subscriber is responsible for notifying us of any change in address. Subscribers who move should call our Member Service Contact Center as soon as possible to give us their new address. If a Member does not reside with the Subscriber, or needs to have confidential information sent to an address other than the Subscriber's address, they should contact our Member Service Contact Center to discuss alternate delivery options.

Note: When we tell your Group about changes to this *EOC* or provide your Group other information that affects you, your Group is required to notify the Subscriber within 30 days (or five days if we terminate

your Group's *Agreement*) after receiving the information from us.

Overpayment Recovery

We may recover any overpayment we make for Services from anyone who receives such an overpayment or from any person or organization obligated to pay for the Services.

Privacy Practices

Kaiser Permanente will protect the privacy of your protected health information. We also require contracting providers to protect your protected health information. Your protected health information is individually-identifiable information (oral, written, or electronic) about your health, health care services you receive, or payment for your health care. You may generally see and receive copies of your protected health information, correct or update your protected health information, and ask us for an accounting of certain disclosures of your protected health information. You can request delivery of confidential communication to a location other than your usual address or by a means of delivery other than the usual means.

We may use or disclose your protected health information for treatment, health research, payment, and health care operations purposes, such as measuring the quality of Services. We are sometimes required by law to give protected health information to others, such as government agencies or in judicial actions. In addition, protected health information is shared with your Group only with your authorization or as otherwise permitted by law.

We will not use or disclose your protected health information for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below). Giving us authorization is at your discretion.

This is only a brief summary of some of our key privacy practices. **OUR NOTICE OF PRIVACY PRACTICES, WHICH PROVIDES ADDITIONAL INFORMATION ABOUT OUR PRIVACY PRACTICES AND YOUR RIGHTS REGARDING YOUR PROTECTED HEALTH INFORMATION, IS AVAILABLE AND WILL BE FURNISHED TO YOU UPON REQUEST.** To request a copy, please call our Member Service Contact Center. You can also find the notice at a Plan Facility or on our website at **kp.org**.
