

NOMINATIONS ARE NOW OPEN
for the
PFT EXECUTIVE COUNCIL
for the term of
July 1, 2023 through June 30, 2025

All dues-paying PFT members in good standing are eligible to be elected to serve on the Executive Council. Members may nominate themselves or other members of the union for positions on the Executive Council. Please make sure your nominee is a dues-paying member in good standing of the union and willing to run.

Members of the Executive Council have the overall responsibility of decision-making for the PFT. Elected members of the Council include the Officers (President, Vice-President, Secretary, and Treasurer), the Campus Chairs (two from each campus), and the Committee Chairs (Career and Technical Education Representative, Part-Timer Representatives (two Co-Representatives, and Diversity Representative). Each Council member is required to attend PFT Executive Council Meetings, which are generally on the first and third Thursday of each month in regular session (though extra or emergency meetings are sometimes called at any time). Part-time faculty who serve on the Executive Council are eligible for up to 16 hours per month for up to 4.5 months per semester of paid service according to the non-instructional extra service salary schedule as a consultant.

Officers have a variety of duties: the President makes staffing decisions and runs the PFT office, assigns tasks to the Officers and the Grievance Officers, assigns the Negotiations Team, and conducts the Council Meetings, as well as representing the Union on Local, State, and National levels; the Vice-President assists in all of these duties; the Secretary has the responsibility of overseeing meeting minutes, file maintenance, and membership rolls; and the Treasurer has the responsibility of overseeing the financial activities of the Union.

Aside from attending Council meetings, Campus and Committee Chairs are encouraged, but not required, to hold Chapter Meetings for their campuses or represented populations; Campus and Committee Chairs often are the first contact for faculty on the campus. They frequently serve on hiring and screening committees, and occasionally handle grievances. Campus Chairs can be either part-time or full-time, but should be on campus for most of their assignment; the Career and Technical Education Representative must be a vocational faculty member, and the Part-Timer Representatives must be part-time faculty member. Also, when it is time to vote on the nominees (in the election), **only** Part-time faculty members will be allowed to vote for the Part-timer Representatives position and **only** Vocational faculty will be allowed to vote for the Vocational Chair Position.

Please be certain that your nominees wish to run for these positions, verifying their willingness with signatures. Please only nominate the Campus and Committee chairs that apply to you. Please also be certain that your nominees are PFT members in good standing and qualified for the positions. Be absolutely sure to sign this nomination form, as unsigned nomination forms will be disregarded.
